

# The Mourning Man

Mystery

Sarah! How are you?  
Things are becoming so strange  
Aura... around you  
Burst and then suddenly faded

Why did you believe in them instead?  
All we knew was great  
Who's to say what we believed was wrong?

Mother and Father  
Love's become so hard to pretend  
Oh brother! Sisters!  
Already joined in the dance

Too late to change  
The worst has been done  
Soon will fall the rain  
Who's to say what I believe is wrong?

The rain is falling down over me

All you hypocrites can you see now?  
On us falls the rain  
It's too late for regrets now

Jesus is on the run  
Young god just having fun  
"Meet the mourning man"

Drinking ice tea in the park
