

Time Goes By

Mystery

Winter came too fast this time Trapping Angels passing by Footp
rints in the snow divide Childhood games from manly crimes

The snowman hopes you dream tonight Before the morning light

As I watch you sleep at night Love is real, true as time goes b
y

Tragic waves just come and go Leaving trails of tears to shore
Sometimes knocking on your door You let them in, they run the s
how

May the beauty of your dreams revive The gentle morning light

As I lay there by your side Love is real, true as time goes by

Time goes by

May the beauty of our dreams survive Another morning rise
