

# From Hell

Mystic Circle

Unholy demon  
Bury me in hell  
Take my soul forever  
My body will be yours

The symphony of death  
Resounds through the night  
I cut myself deep through my veins  
Death is my desire

He is the one you called  
From Hell  
The desert of sadness  
From Hell  
The valley of tears  
From Hell  
Look in the eye of the beast

The devils inspiration  
Is the sweet abyss  
Praise the lord  
Of unholyess

Cast out from heaven  
Risen from the dirt  
The fallen angel has returned  
Leader of destruction

I'am the one you fear  
From Hell  
The needle in your flesh  
From Hell  
The father of all sins  
From Hell  
Look in the eye of the beast

Seperated from the gods  
In the empire of darkness  
Resurrected from the dead  
The lightbringer has come

Voices from the underworld  
Darkness pulls you under its spell  
Demonic claws are grabbing you  
Caught in the abyss of madness

He is the one you called  
From Hell  
The angel of darkness  
From Hell  
He's the opponent  
From Hell  
Look in the eye of the beast
