Mothman mystery
Ambassador of dirt
Mothman prophecy
A dark omen

„the bird of death will take your soul
and in your last moments you'll see its ugly
grimace“

Hellfire blazing in its eyes
Its massive wings spread out
Silent it stands before you
A being from another dimension

He is the flying devil
A horror figure of your nightmares
Many have seen the apparition
Then the horror begins

Run if you see him
When you hear his wings flapping
He walks between the worlds
Through him you'll see evil spirits

The origin of the creature
Lies in an ancient curse
The medicine man had spoken the spell
Then the demon appeared
