

Christian Proscription

Mystifier

You said that a god would purify you soul
And you have been a good man for that job
You have been fought against the forces of evil
You dream of living in a holy house

You deny your people
Kill and live for your contentment
You will pay a hard price for your hypocrisy
Satanas will devour your soul

You are in Hell
Paying for your sins
Satan's punishment
Christian proscription

Churches sell pieces of cloth and goodness
Spreading lies and terror
Cross of weakness ad submission
Circle of prisoners around the world

You deny your fellow being
Kill and live for your contentment
You will pay a hard price for your hypocrisy
Satanas will devour your soul

You are in Hell
Paying for your sins
Satan's punishment
Christian proscription

Now the Christians are dying
Annihilation
One thousand souls cry for god
Merciless
Mercenaries, priests and liars
Extermination
Triumph of Satan
Proscription

Now Satan reigns on earth
Because your god is dead
Obedience and fear
Filthy Christians burn in hell
