

## Defloration (The Antichrist Lives)

Mystifier

Incubus comes from the inferno  
With a dissolute and malign plan  
To conquest a pretty and young nun  
Her sensual and wonderful body  
It will be use to shelter the new being  
The Antichrist's era approximates  
The kingly preares to the diabolic copulation  
He'll get her for 7 nights

There's no choice to the virgin  
She'll give the birth to the Antichrist

After nine months  
From a sacred womb the child was born  
The new being cries in ecstasy  
And his father laughs with satisfaction  
The womb of the wench was sliced and burned  
The Antichrist will live in doiminious of Inferno

There's no choice to the virgin  
She'll give the birth to the Antichrist
