

Possession

Mystifier

Living with the spirits of evil
The evil became my faith
Baptized by the priests of darkness
Satanas blessed me to kill

Kill in the name of the Master
Martyrs suffer by your creed.
Prepare to die

The flames of the depths of Hell
Enchants me like a sea of lust
Uncontrolled temptation
Feel me odious and furious

Nightmares torment my soul
Martyr.
Christians suffer by your creed
You will die in Hell.

I am in Hell
Son of the Prince of darkness
I am possessed
Satanas controls my soul and mind

The Possession
Takes over my soul
Make me odious and furious
My eyes are blazing in the dark
Christian run from my bestial wrath
I was born in sin and lust
From the depths of Hell
Lucifer rules supreme
