

Satan's Aberrations

Mystifier

A deadly power it's able to kill
Christians, cowards and liars
Obscene and murder
The priests of evil
They mark your victims
With the symbol of doom

You live in fear
Death is your fate
The power of evil torments your soul
Macabre
Insane
Diabolic
Cruel
Satan's Aberrations

The fear is your faith
You cry for mercy
Don't praise your god
And don't shame your sins
Praise the Lord of evil
Evil is your salvation
We did trap your soul inside a pentagram

You live in fear
Death is your fate
The power of evil torments your soul
Macabre
Insane
Diabolic
Cruel
Satan's Aberrations

You cry for mercy in vain
They cry out for your soul
Let the mighty Satan's power flow
They want possess your soul
