

The Almighty Satan

Mystifier

The dreadful and wise one
The spiritless angel Satan
Rise from the depths of Hell to reign in heaven
After two thousand years, He returns...
Vengeance your expulsion from the heaven

See the sky is black
The bells toll
The revelation is near
The awakening of Satan

Jehovah - master of impotence
- suffered your sin
For denying your son Satan
Jehovah, the angels and Jesus
Paid with their lives
The price of scorning
The almighty Satan
The most beautiful of the angels

See the sky is black
The bells toll
The revelation is near
The awakening of Satan

The heaven was destroyed
My Master laughs in laud
In his throne of tetragrammaton
He enslaves saints and angels
Jesus, Jehovah and Mary are dead
The prophecy is done
Tormenting The Holy Trinity
Satan's Harvest
