

The Sign Of The Unholy Cross.

Mystifier

We praise the unholy cross
It consecrated us with the malicious braze
We are the profaners of the holy trinity
We blaspheme against the father
the holy ghost and the son

You shouldn't make the sign of the holy cross
Je\$u\$ is dead! It isn't on the stake!
That bastard will never be in the high altar
Its suffering doesn't mean life
We doomed it to death

Crucifixion
A corpse hangs on the cross
We are worshippers of the sign of the unholy cross

je\$u\$ died against its will
The cross symbolizes its weakness and death
Instrument of corporal punishment - the cross
It symbolizes the suffering and passion - die chri\$t!

Je\$\$us was hanged against his will
The cross symbolizes his weakness and death
Instrument of punishment - the cross
It symbolizes chri\$t's death passion

je\$u\$ died on a misty Friday
After three days it tries to resuscitate
But the fallen angels of doom appeared from Hell
They carried it to purgatory
It begs for mercy, but its father can't
Save it from doom
jews and christians cry desperately
But je\$u\$ will never return
