

The Six Celestial Desires of the Virgin

Mystifier

In a night of sodomy
A woman wishes sex
Among demons and angels
She satiated her desires

Lust, orgasm, orgy
She isn't anymore pure
Sodomy, excitation, incest
She isn't anymore virgin

She was conceived to serve god
And obey his laws
Combat the Antichrist
And give birth to the holy bastard

How does a nymphomaniac
Stay castrated at the holy altar?
She isn't anymore the holy virgin
Temptation, desecration, incest
Abolish the laws of the dog

The six wishes of the virgin Mary

O Mary
Don't stop Mary
Noo...
Let me enjoy in your mouth
