Nothing says sorry like a Birkin or a Dolce & Gabbana
(Na-na)
You're the only thing that's catchin' my eye
(You gon' be the baby daddy, and it's real)
(There's still a few things you should bear in mind, mind)

Pull up, pull up, mi have nuff time for ya
Top down, you know seh mi ah ride for ya
Cah if anything ah anything I'm nice for ya
I'll keep the bally in the ride and then I'll slide on 'em
Big whip, big drip, big business
And I just killed the pussy, no witness
Ayy, she come alive when I'm deep inside (Deep inside)
Anytime I pull up, I know she on demon time (Ooh)
