

# Everytime We Touch

N-Dubz

Cause everytime we touch I get this feeling  
Everytime we kiss I swear I could fly  
Can't you feel my heart beat fast  
I want this to last  
Need you by my side  
Cause everytime we touch

Wake up with you next to me  
I'm thinking how can this be  
God is true blessing me  
This's destiny  
Me and you were meant to be  
Where I touch you  
You know I love you  
But I still put it down like a thug do  
Know you like that yea you like that  
It's love that will have you right back  
Argue when you don't even fight back  
Baby girl you put me on the right track  
Not another person I can see myself with  
Know the way it sounds, sounds kinda selfish  
But you're the one who put me in this position  
And I wish there was nothing in this relationship that we missin yea  
You don't know what you mean to me  
Am I living in a fantasy (nah)  
Just a real girl how you make me feel  
Me and you we know the deal  
Ain't nothing gonna stop us now  
Slow us down  
Cause that we hold this down  
It's your hand that I reach and clutch  
Lean on when I need that crutch  
Baby girl yea I know this much cause cause cause  
Everytime we touch

Cause everytime we touch I get this feeling  
Everytime we kiss I swear I could fly  
Can't you feel my heart beat fast  
I want this to last  
Need you by my side  
Cause everytime we touch

Everytime we touch and ride  
People wanna front and lie  
Talking high  
Lower you're pride  
Need you by my side girl  
For when we kiss you fly  
G4 touchdown 7 45  
But for me and you were down to ride  
I was at a po' we ain't gotta try  
So we go out at the turk and baygo  
Somewhere lookin for a thousand pesos  
Play low when we get pissed and face on  
You get a feeling that's what you say so  
It's t.o. what's the p.o.  
If you love me write play folk

I don't know  
This rinkler wanna put it on I don't know  
It's crazy when we get along  
We ain't holding hands but I read your palm  
Heart beat fast I ain't feel it calm  
Want this to last everlasting palm  
But it's like a light switch on and off  
Leave you and things so you can floss  
What's the cause if you can feel me  
I want you turn around so you can tell me

Cause everytime we touch I get this feeling  
Everytime we kiss I swear I can fly  
Can't you feel my heart beat fast  
I want this to last  
Need you by my side  
Cause everytime we touch

Don't think cause I'm a thug  
That I'm a hide my love  
I know we're gonna last cause I need you boo  
Everytime we touch it's me and you
