N-Dubz

[Chorus:]

I met her in the club
Then I said wassup
I took her to the crib
And you know I fucked
Yeah toot it and boot it
Toot it and boot it
Toot it and boot it
That's why I toot and boot it

[x2:]

She think I'm cute, she wanna have Sex
Girl knock it off you know you can't have this

[Verse 1:]

And she told me run that, I told her run it
And she never seen a chick until she met my magic stick
Yo I'm a pimp bitch straight game never no sippin
And after we did it she was walking with a limp
Bust it open leave it wet you know I leave it soakin
Who next I don't ever close, I stay open
I met her in the club, you know I was drunk
I asked her name and then I said I wanna fuck
And I'm YG and you know I fucked
And she fucked back like a little slut
And she fell in love ya
And she felt stupid cause you know
I toot it and boot it

[Verse 2:]

Girl let me toot that boot that stop actin stupid
Acting like you don't know me like who that
Walked in the club but I'll fly things
I'm in the back girl you know where to find me
And I love how she think I'm cute
And she don't even wanna tell me what she wanna do
It's me and my crew her and her friends
And they all trying to leave with us when the club ends
And she toot it from the back and you know she made it clap
And you know I run it back like
Only for one night and she know I'm on like a switch on light
Hey girl I can have you feelin right
I can supply the pipe
Just make sure it's tight
We can do it all day only for one night
And after that you gotta go

[Verse 3:]

I toot it to the left I toot it to the right
Fuck with me we gonna do it all night
I seen a bad bitch I swing my hat back
And after I hit it's on my back
Cause I toot it and boot it
And made her feel stupid
