Uh, you don't trust no one (No), trust no one (No), trust no one (No)
My time, when I was down, I needed help (Ah)
That's why I trust my day ones only, and no one else

UK's f'ed up, everyone's fake now bare fake bums and fillers (Fillers)
You movin' boujee now, but, back then you didn't even change your knickers

First time I blow, I didn't think about myself (Yeah)
I put up my whole fam, and my hood first (Brr)
