

You Know What

N*E*R*D

At first it started with the eyes i'm like un uh no way yo sista kay
No. and so the tension slowly build you got them slanted eyes that kills
All systems go. then you kissed my cheek my knees get weak my heart just
Skipped a beat so i just froze. then you touch me there i knew you
Wouldn't girl you touched me good i'm like uh oh.

You know what, know what, know what, you know what? i'm sorry, sorry,
Sorry, sorry. it hurts me, it hurts you, it hurts me ,what you do was so
Good, so good, so good, so good.

Let me show you where you went wrong you know that our sex took us to
And fro. then you had the nerve to say you're hurt and fix your mouth to
Blame the cuervo. then in me could find a compromise and i'm just like
You know what you chose. i don't want to say it again but here it goes
Fuck it we're just friends now where's my clothes.

You know what, know what, know what, you know what? i'm sorry, sorry,
Sorry, sorry. it hurts me, it hurts you, it hurts me what you do was so
Good, so good, so good, so good.

What am i gone do when i can't get anymore i'd rather not no oh. cause
If you wanna know the truth nobody made me cum like you i just roll
Over. i can't let my mind think of you i hit that dial and get you on
The phone. cause baby its just not the physical i get with you i'm
Addicted to your moan.

You know what, know what, know what, you know what? i'm sorry, sorry,
Sorry, sorry. it hurts me, it hurts you, it hurts me what you do was so
Good, so good, so good, so good.

The rumors
The rumors
The rumors

This aint right (you know its so) you know i want it, (you know its so)
You know i want it. (you know its so, you know it) girl this aint right,
(you know it too) you know i want it, (you know it too) you know i want
It. (i'm mad at you)

You try keep your feelings inside the ropes but then you weigh me down
When you see me like hey hello. now you know we never cared of a public
Place i see it in your face and those were magnific times don't go, how
We gone stop?

You know what, know what, know what, you know what? i'm sorry, sorry,
Sorry, sorry. it hurts me, it hurts you, it hurts me what you do was so
Good, so good, so good, so good.

You're friendship means the most to me, yeah ohhh. you're friendship
Means the most to me, yeah ohhh
