

Hit it baby stare  
So sweet obsessed  
Gentle with it right there  
I love the way your hips don't care  
Hit it baby stare  
So sweet obsessed  
Gentle with it right there  
I love the way your hips don't care

She beautiful, independent I need a minute  
Never open that door she wait for me to get it  
Said it all was dream but I just can't believe we built this team you  
reason that I'm even in it  
Late night ocean drive me and you pushing something oversize long way  
from whipping up this oberweis  
I can see in your both eyes you really mean it  
So throw away broken them lines you won't need it

I got a lot of babies  
Movie like Scorsese  
She kinda look like Mercedes  
I'm an addict like ra da da  
Make em singing la la la la  
Make it ripple amaze me with it  
Love me a body come daze me with it

Don't tell it enough I care about you why I'm telling this stuff  
Only the best lots of rest get your melanin up  
You get mad hop out push the pelicans up, but come back cuz there ain  
't nobody better than us  
Ready too bust, shower then the beach Senegalese just for a week red  
bottoms when we head too phillipe  
I been peeped how you moving  
And I like it you make me wanna wife it Cartier help me turn down the  
brightness Spotlight

We gone light it up from dark nights to dusk  
I just don't know about us natural loves a must  
For a lifestyle rush spotlight on us  
Adrenaline all worked up impress me I won't lie

That's hot, that's hot, that's hot  
That's hard, that's hard, that's hard  
That's hot, that's hot, that's hot  
I'm an addict like ra da da  
That's hard, that's hard, that's hard

Yo nights I think we got one  
I love the way you, yea yea  
I love the way you, yea yea  
Forever, the team the dream  
For those who don't know C the kid
