

All Alone

N.O.R.E.

I'm all alone in this world, I feel like it sometimes
I feel like it
I'm all alone in this world, I feel like it sometimes
I feel like it
I'm all alone in this world, I feel like it sometimes
I feel like it
I'm all alone in this world, I feel like it sometimes
I feel like it
Be in a room full of people, still I feel solo
Don't wanna drive drunk, I don't wanna yell yolo
Alone in this world, I feel like it sometimes
I feel like it

I feel alone in this world 'cause friends gon' change
Feel alone in this world, family estranged
If you're born alone, die alone, I don't wanna check to see
I don't need death to see life's foul recipe
I wan' live a hundred years like the old folks
Retirement home, smokin' weed with the old folks
They thought I'd never make it, nigga, this far
Proved 'em wrong when I got head in this car
Left back in the third grade
Teacher said I was smart, I ain't behave
But you know I ain't believe that
Seventh grade dropout, school I ain't need that

I'm all alone in this world, I feel like it sometimes
I feel like it
I'm all alone in this world, I feel like it sometimes
I feel like it
I'm all alone in this world, I feel like it sometimes
I feel like it
I'm all alone in this world, I feel like it sometimes
I feel like it
Be in a room full of people, still I feel solo
Don't wanna drive drunk, I don't wanna yell yolo
Alone in this world, I feel like it sometimes
I feel like it

Wanted to go to high school, move town, or [?]
[?] headed there, my mind was already there
Young, wild, juvenile hectic
Plus I couldn't spell good, heard I'm dyslexic
Made millions off of words
Same kid that couldn't pronounce words
Oxymoron, ironic
Can't say no to drugs, I'm better on the chronic
And I live in a permanent vacation
For every nigga ever been in special education
I live for the sake of y'all
Do it big, [?] takin' y'all

I'm all alone in this world, I feel like it sometimes
I feel like it
I'm all alone in this world, I feel like it sometimes
I feel like it
I'm all alone in this world, I feel like it sometimes

I feel like it
I'm all alone in this world, I feel like it sometimes
I feel like it
Be in a room full of people, still I feel solo
Don't wanna drive drunk, I don't wanna yell yolo
Alone in this world, I feel like it sometimes
I feel like it
