

Eat Pussy

N.O.R.E.

Eat pussy, before I hit that shit from the back
Eat pussy, before I put that Magnum on
Eat pussy, before you wanna suck me off
Eat pussy, homegirl, I get you right in the mood

Most valuable pussy eater, MVP of the sport
God made something better than the side of my thought
God body told me, never eat pussy or pork
So ever since then, gets no more pork
See though, don't get me wrong, cause I'm not just anyone
Let me break it down, iller, probably show you where I'm coming from
Don't want that dry pussy, that fish fried pussy
I want that wet pussy, the gushy super tight pussy
Stay the night pussy, stay for life pussy
That close your eyes, open wide, surprise pussy
That 5 AM, call your phone ready to ride pussy

And niggas like, wow, NORE, you foul
