I got them new Feds on my case
GAGLIARDI up on my waist
My boots right here not that's Versace
That H stand for Hermes
Tonight I rock that Fendi
Drink that Poppy, no Henny
Laid back up in that Benzi
I'm like bitch take off your panties, yup
Jump off, jump off, high form with your top off
Suck hard, lock jaw, can't believe she licked my balls
Switched up on my fashion
And since then I've been swagging
LV up on my buckle and sneakers up in the Hamptons
I'm a ghetto nigga with a good belt
The whole world hear me
I know I'm hood felt
I'll be on the block wid it
At the drug spot
That 2Pac get me
I bring them thugs out
Hail Mary, it's Papi
Also known as NORE
Saw the red one, copped it, cost me \$440
Got the blue one and the black one
Spent stacks, match igloos
The new stuff's in the back I'm getting that for my nickels

At the top looking down, my niggas be the fliest
