

Bee Gees Tribute

N'sync

Ji, ji, ji, jive talking, you're telling me lies
Jive talking, you wear a disguise
Jive talking, so misunderstood
Jive talking, you're really no good

Nobody gets too much heaven no more
It's much harder to come by, I'm waiting in line
Nobody gets too much love anymore
It's as high as a mountain and harder to climb

How deep is your love? How deep is your love?
I really need to love
'Cause we're living in a world of fools
Breaking us down
When they all should let us be
We belong to you and me

Do do do do, how deep is your love?
Do do do do, how deep is your?
Do do do do, how deep is your love?
Do do do do, how deep is your love?

Well, you can tell by the way I use my walk
I'm a woman's man, no time to talk
The music loud and the women warm
I've been kicked around since I was born

And that's alright, that's okay
And we can look the other way
But we can try to understand
The New York Times' effect on man

Whether you're a brother or whether you're a mother
You're staying alive, staying alive
Feel the city breaking and everybody shaking
People staying alive, staying alive
Ah, ah, ah, ah
Staying alive, staying alive
Ah, ah, ah, ah
Staying alive

Yeah
I'm staying alive
