(2x): Bringin' da noise Bring down the house We came here to turn the party out Say come on, come on Let's raise the roof And give `em proof That we can get loose ya'll We need to get down The scene is set so right Everybody's in the house tonight (tonight) Lose your mind Let your body take control (control) You've got to feel it in your soul (in your soul) I've got that feeling baby You know it drives me crazy And all I wanna do is hit the floor I wanna shout it ya'll So make it louder ya'll And turn it up some more (2x):Bringin' da noise Bring down the house We came here to turn the party out Say come on, come on Let's raise the roof And give `em proof That we can get loose ya'll Bringin' da noise Bringin' da noise Just shake it girl (shake it girl) And enjoy the ride Do what you feel inside Cause it's your world.. All you want and more So baby go and get yours (get yours) I've got that feeling baby You know it drives me crazy And all I wanna do is hit the floor I wanna shout it ya'll (shout) So make it louder ya'll (loud) And turn it up some more (more more more) (2x): Bringin' da noise Bring down the house We came here to turn the party out Say come on, come on Let's raise the roof And give `em proof

That we can get loose ya'll

Bringin' da noise Bringin' da noise Bringin' da noise Bringin' da noise

I've got that feeling baby You know it drives me crazy And all I wanna do is hit the floor

Bringin' da noise
Bring down the house
We came here to turn the party out
Say come on, come on
Let's raise the roof
And give `em proof
That we can get loose ya'll

Whaaaat?
