

Falling

N'sync

Yeah yeah.. oh hmm I don't know how
I don't know why
But girl it seems
You've touched my life
You're in my dreams
You're in my heart
I'm not myself
When we're apart

Something strange has come over me
A raging wind across my seas
And girl you know that your eyes are to blame
And what am I supposed to do
If I can't get over you
I come to find that you don't feel the same

Cause I'm fallin'
Girl I'm fallin' for you
And I pray your fallin' too
I've been fallin' fallin'
Ever since the moment I laid eyes on you

I lose my step
I lose my ground
I lose my self
When you're around
I'm holding on for my life
To keep from drowning in your eyes
Girl what have you done to me
To make me fall so desperately
To think that I don't even know your name
No, no
How am I supposed to live
If I can't get over this
You decide you don't feel the same

Cause I'm fallin' fallin'
Girl I'm fallin' for you
And I pray your fallin' too
I've been fallin' fallin'

Will you stay or will you go
Heaven, heaven knows what my future holds
Questions, questions linger on my mind
Day break from day break to dark of night
I'm fallin' I don't know what's come over me

Can't you see that I'm fallin' fallin'
Girl I'm fallin' for you
And I pray your fallin' too
I've been fallin' fallin'
Ever since the moment I laid eyes on you
