

Forever In Your Heart

N'sync

You know
That I love you
In every way
You bring
So many magical wonders
To my day

How could I ever leave
One reason why
Cause darlin' without you
I cannot breathe
You're the best thing
In all my life
The only one
Who helps me through
So much pain and strife

Baby you know...
Chorus:
You'll always be in my heart
We'll never have reaons
To ever part
When I look into yor eyes
All I see is you and I
Together, forever in your heart

Darlin' yes
I love you more than words can say

You'll always be mine
No matter where you are
You're always at the front
Of my mind
Only for eternity
You've touched my heart
With undying hope
With your love
My problems can cope
No one will ever take your place
When I close my eyes
I see me
Kissing your sweet face

You're much more beautiful
Than Heaven's glowing embrace
Chorus

You'll alwyas be
Forever with me
Baby, just wait and see
You're my dream come true
And all I can say
Is that I love you

All I can say
Is I love you
Every night and day

My dreams come true
Only when I'm with you
Holding you near

I'll always be
With you, you'll see
Forever, Forever in your heart
Only always
Forever in your heart
