

# I Just Wanna Be With You

N'sync

Na, na na na...na na na na na na...

Na, na na na...na na na na na na...

I just wanna be with you,

Girl that's all I want to do

I just wanna be with you,

Girl that's all I want to do

Girl you're turning me on,

You're such a fine lady,

And sugar, more and more,

You're driving me crazy (crazy)

`Cause you're just what I want,

And I'm just what you need,

Oh it's on

I'm gonna make you my baby;

Sweet darlin' all I can see, Is you and me, 'cause...

I just wanna be with you,

Girl that's all I want to do

I just wanna be with you,

Girl that's all I want to do

I wanna drown in your love

Lead me to your water

Let it flow, (let it flow)

Just let it flow, baby

My love is insane

Pleasure and pain

It's part of life,

So live it up baby; (live it up baby)

Now if you're scared of love, don't,

Don't, don't be afraid,

`Cause girl I'm scared to

But I gotta have you

Gonna love you day and night,

Yes I'll treat you right!

I just wanna be with you,

Girl that's all I want to do

I just wanna be with you,

Girl that's all I want to do

I just wanna be (be) with you,

Girl that's all I want to do

I just wanna be (be) with you,

Girl that's all I want to do

You and me

Gotta stay together

We'll be together, say

na na na na na na na na

You and me

Gotta stay together

We'll be together, say

na na na na na na na na

Like, 'N Sync

That's right

I just wanna be (be) with you,  
Girl that's all I want to do  
I just wanna be (be) with you,  
Girl that's all I want to do  
I just wanna be (be) with you,  
Girl that's all I want to do  
I just wanna be (be) with you,  
Girl that's all I want to do

Come and be with me, my baby
