

I'll Be Back For More

N'sync

Baby, trust me
i know you're shy
But when you're with me
i see the love in your eyes
tell me why can't you see the way it feels
and if our love is real
say you'll love me
forever and ever

Chorus:

Cause i'll be back for more
Lady, i'll be back for more
Why can't you say
That you feel the same way
Lady, i'll be back for more

You say, you're afraid you'll get burned again
but baby, i pray that someday
you'll let my love in
i can't wait
tell me how you really feel
and say our love is real
say you'll love me forever and ever

Chorus:

I'll be back for more
Baby, i'll be back for more
Why can't you say
you feel the same way
Baby, i'll be back for more

Oh baby, Just let me know (Just let me know)
Girl, if you love me
you've got to let it show (Just let it show)
I'm down on my knees
I'm begging you please

I'll be back for more
I'll be back for more
Why can't you say
you feel the same way
Lady, i'll be back for more

And i will be back for more...
