

# I Never Knew the Meaning of Christmas

N'sync

Lookin' back on childhood days  
I can't believe my foolish ways  
Thought that Christmas only came from a store  
Had to know what was there for me  
Underneath the Christmas tree  
I didn't know that there could be so much more  
But in all of the rush  
I was missing so much  
Girl you made me finally see  
That I never knew the meaning of Christmas  
'Till you came into my life  
I was lost in the dark  
'Till you opened my heart  
Like an angel shining bright  
I wished on a star  
And girl here you are  
Suddenly I realize  
That I never knew the meaning of Christmas  
'Till I looked into your eyes

Comin' home for the holidays  
Seeing friends from around away  
There was always something missing for me  
On a sleigh ride caroling  
Didn't really mean anything  
Without that someone who can make it complete  
While the snows falling down  
There was joy all around  
'Cause girl your love has shown me the way

That I never knew the meaning of Christmas  
'Till you came into my life  
I was lost in the dark  
'Till you opened my heart  
Like an angel shining bright  
I wished on a star  
And girl here you are  
Suddenly I realize  
That I never knew the meaning of Christmas  
'Till I looked into your eyes

Fa la la la la...  
Sing it la la la la  
la la la  
Fa la la la la...  
Sing it la la la la  
la la la...

But in all of the rush  
I was missing so much  
Girl you made me finally see..yeah

That I never knew the meaning of Christmas  
(never knew, never knew, never knew...)  
'Till you came into my life  
I was lost in the dark  
'Till you opened my heart

Like an angel shining bright  
I wished on a star  
And girl here you are  
Suddenly I realize  
That I never knew the meaning of Christmas  
'Till I looked into your eyes

That I never knew the meaning of Christmas  
'Till I looked into your eyes
