On the Line

N'sync

I'm laying it
On the line to show you
I'll never let you go
On the line for your love
There's nothing I want more

Another dead-end street, another love gone wrong
Another shattered dream, always the same old song
I started thinking that you never come along
I've got all this love inside and that was all that was tonight
I'm wish you knew what I've been through to get you

I meant it
On the line to show you
I'll never let you go
On the line for your love
There's nothing I want more
When you smile
I feel my heart open and I know there's nothing that I wouldn't do
I'm laying it
On the line this time
Just to be with you

After everything my heart's been through
I treasure every moment I spend with you
For me to feel this way is something new
Now it's got a hold on me it's making me believe
The love we got is something unlike any other

I'm laying it
On the line to show you
I'll never let you go
On the line for your love
There's nothing I want more
When you smile
I feel my heart open and I know there's nothing that I wouldn't do
I'm laying it
On the line this time
Just to be with you

If you think it wasn't thinking, all you gotta do is say the words
(Say the words)
If you tell me what you need then I can give you what you ask for
(Ask for)

When I didn't have a prayer, I thought nobody cared
I turned around and you were there

Now I've been waiting for you
(Oh waiting for you baby)
And I want you to know
(I want you to know)

On the line to show you
(That I'll never let you go)
On the line for your love
(There's nothing I want more)

When you smile
I feel my heart open and I know there's nothing that I wouldn't do
(Nothing that I wouldn't do)

I'm laying it
On the line to show you
(Never gonna let you go)
On the line for your love
There's nothing I want more
When you smile
I feel my heart open and I know there's nothing that I wouldn't do

I meant it
On the line this time
Just to be with you
