

The Two of Us

N'sync

Oh, hey yeah yeah..

Girl when we started baby we were friends
But that's not how this fairy tale is gonna end
See I was thinking then it clicked one day
That no one else has ever made me feel this way
The next time I saw you girl I knew I had to try
To tell you everything that I was feeling deep inside
And listen good cause what I say is from my heart
So if you're ready

You see I toss and turn when I'm alone
And I just cant wait til you get home
Waiting for your call cause tonight we're gonna do it all
Girl it's just the two of us
Cause I'm thinking about you day and night
And I just can't get you off my mind
When you get a minute baby I was thinking we could hook up
It's just the two of us, the two of us

Cause in a room full of people you're the only one around
And nothing in this world could ever bring us down
Baby I'll be there telling you I care
This I swear
Girl its just the two of us, the two of us

Baby I wonder if you feel the same as I do
I wonder if you're going through the things I'm going through...
I sent you flowers on a Saturday
inside's a letter with a message and no name
See I just love the feeling, knowing I can make you smile
and I haven't felt that about someone in quite a while
Just listen to these words I have to say
Just take a chance..

You see I toss and turn when I'm alone
And I just cant wait til you get home
Waiting for your call cause tonight we're gonna do it all
Girl it's just the two of us
Cause I'm thinking about you day and night
And I just can't get you off my mind
When you get a minute baby I was thinking we could hook up
It's just the two of us, the two of us

Cause in a room full of people you're the only one around
And nothing in this world could ever bring us down
Baby I'll be there telling you I care
This I swear
Girl its just the two of us, the two of us

It just gets better with each day (baby someday)
I always wanted to tell you
But I was so afraid

You see I toss and turn when I'm alone
And I just cant wait til you get home
Waiting for your call cause tonight we're gonna do it all
Girl it's just the two of us

Cause I'm thinking about you day and night
And I just can't get you off my mind
When you get a minute baby I was thinking we could hook up
It's just the two of us, the two of us

Cause in a room full of people you're the only one around
And nothing in this world could ever bring us down
Baby I'll be there telling you I care
This I swear
Girl its just the two of us, the two of us

Ohh.. hey yeah yeah..
