

# This Is Where The Party's At

N'sync

Yeah,  
This is Where the Party's At  
(this is where the party's at)  
C'mon babe... this is where the party's at..

Monday morning to Friday afternoon  
It's stressing you out  
But tonight, the weekend comes around  
and it's time to break out

Everyone needs some time,  
Time to get away  
Then it can free your mind  
and free your soul

This is you night to shine  
if you want to play  
Baby Its ok to lose control now

If you wanna groove now  
This is where the party's at  
Gotta make you move now  
This is where the party's at  
Everybody's gettin in the zone  
This is where the party's at  
Everybody, c'mon  
This is where the party's at

Tonight we'll make you groove  
Forget your problems  
Forget all your fears  
Whatever you wish  
Your secret fantasies  
We'll take you there

Throw all your hands up high  
So that I can see  
Dance like you just don't care  
(Raise you hands - Let's raise the roof)  
Whatever you want to try It's all good with me (no, no)  
It's all good with me  
(There ain't nothing you can't do now)

If you wanna groove now  
This is where the party's at  
Gotta make you move now  
This is where the party's at  
Everybody's gettin in the zone  
This is where the party's at  
Everybody, c'mon  
This is where the party's at

Everything that you been missing in your life  
You can find inside the song  
And that's all that really matters tonight..  
So let's party all night long

C'mon now  
Pump it up  
To the left  
Pump it up  
now to the right  
Pump it up  
Everybody  
Pump it up  
C'mon  
Pump it up (hold it up)  
pump it up (let me see ya)  
Pump it up (here we go)  
Pump it up

If you wanna groove now  
This is where the party's at  
Gotta make you move now  
This is where the party's at  
Everybody's gettin in the zone  
This is where the party's at  
Everybody, c'mon  
This is where the party's at

This is Where the party's at..
