The motherfuckin' world is a ghetto  
Full of magazines, full clips, and heavy metal  
When the smoke settle  
I'm just lookin' for a big yellow in six inch stilletos

And he's a felon on parole for robbery

Ain't no coppin' a plea, ain't no stoppin' a G

You handle shit sloppily, I drop a ki properly

They call me the Don Dada, pop a collar  
Drop a dollar if you hear me, you can holla  
Even rottweilers, follow, the Impala  
Wanna talk about this concrete? Nigga, I'm a scholar

The incredible, hetero sexual, credible  
Beg a hoe, let it go, dick ain't edible

Wondering if it's still in me to produce hits, y'all be killin' me

And six cars that are paid fo', suck my dick, hello

Sellin' tapes out of a trunk to movin' this far up  
Now we got the whole world starstruck  
Made a million plus and still don't give a motherfuck
