God damn, now lick my balls, oh shit. You like that? Put 'em off It's good? Ouch, shit, godamn bitch you bit' my damn Shit I said suck the mothafucka, you're bitin' it, shit! Has this ever happend to you? Does her teeth get in the way while she's sucking your dick? Does she know how to suck a dick? Well, I had that same problem until my bitch went out and buy NWA's new book entitled "The art of sucking dick." Lesson 1 - First you grab the dick next you gently lick it up and down, then insert it into the mouth Take it slow, don't rush it, and before you know it .. SPLASH! It goes one for the treble, two for the bass She got nut all over her face Kick kick it ... Slow is the tempo, and Ren is gonna flow As I produce and illustrate you to a ho' Cought on the late night, Stampin' on the base-pipe She's a hype to get you on the late flight But back in school she was a cutie, yo Then after graduation started givin' up the booty In school, stuck her head in a feather Every time I asked her what's the time It was never ever what she would talk to the Ren I'm sayin' I wanted a date, she would'nt even be my friend But now in the 1990's, I'd be praying that the bitch don't find me Cuz she's got a gang o' kidz nappy-heads and all dirty And she's gettin pimped by a nigga that's thirty I saw her hangin' in the alley Raggin to her friends how she's ho'in' in de valley All by herself, doin' on the hoe stroll Comin back home late night with the bankroll You know a bitch like that makes me sick But I've heard that she sucks a good dick It's the world's biggest dick Don't matter just don't bite it It's the world's biggest dick Don't matter just don't bite it "What do you want me to do with it?" Don't matter just don't bite it She swallowed it At a high school dance -Me and the niggaz bailed in I saw her sittin' with her friends, With the clan, So sexy, thought she was all that She would'nt even look it up because we wore the black hat

She was a stuck-up bitch on the public floor But an instant prostitute behind closed doorz On the streets she's a late night feature - walkin home from school I saw her suckin a niggaz dick, under the bleacher She saw me and she ran and tried to hide her face But a bitch full of nut could'nt escape in the chase A disgrace, If I ever ever saw her There was'nt a nigga on the block Late at night not gettin' done So she begged me not to tell a soul Then I said of course cause my dick yo it's harder than a totem pole Then again it don't concern me Cuz there's a slight chance if I fuck she might burn me And then I might have to shoot de ho' I mean checkin' with de quickness just to let her know But to prevent from gettin' sick -I would just prefer to let her come and suck my dick

It's the world's biggest dick
Don't matter just don't bite it
It's the world's biggest dick
Don't matter just don't bite it
But does she suck a good dick?
Don't matter just don't bite it
She swallowed it

Now I was at a club on a late late Sunday Peepin' at the bitches 'till the next day Monday Had a couple of drinks, so I was feeling good And suddenly I saw this bitch who lives in my neighborhood She went to church every week so now I locked her She was at the end of the bar gettin' fucked up Back at the house she was bitch n' be ignorin And when she start to talk the ho' was kinda borin Yo, but now I got to dawn, see Now she's dancin' on the floor with a skirt and no panties on Shakin' that ass like a salt shaker I already got my plans -Just while I'm a take her to a room But yo I mean a rest room And stick my dick in her mouth like a wet broom So I grabbed her hand and she's with it Oh and when she turned sobber should'nt have had admit it So while she's dropped I'd better get it quick And see for myself if she sucks a good dick ..
