

Intro (Because Of You)

N2U

You where the one to keep my tears from falling down, by tellin
g me I could go on when all hope is gone and so I sing to you t
his song... yes I do. like watering flowing from the heart into
the soul, you were the one that toke my heart and mended all t
he broken peices when I was down you picked me up and showed me
life, now I can live. I can live because of you I can live
