

## No...Say No

N2U

Look I need to talk to you  
Tell you what I'm bout to do  
And I need you help to stop me  
Cause I got a girl at home that loves me

Boy I got myself in a tight situtation  
About 5'5 long hair with brown eyes  
And without girl I can't escape it  
Oh ain't no use in trying  
So come on out  
Come on out  
I know you're in there  
I need you now  
Cause I'm about to lose it all  
And you're the only one I can call on  
Know if you hear me I need you  
Know if you are listening I'm in troubule  
Know if you're there I've falling  
And I can't get up  
So hurry up  
And just say no (no, no, no)  
No say no

Now I'm in the hotel elevator  
On my way up to her room  
Were she waiting on me to lay it down  
And do whatever as long as I make it feel good (good, good)

Boy I got myself in a tight situtation  
About 5'5 long hair with brown eyes  
And without girl I can't escape it  
Oh ain't no use in trying  
So come on out  
Come on out  
I know you're in there  
I need you now  
Cause I'm about to lose it all  
And you're the only one I can call on  
Know if you hear me I need you  
Know if you are listening I'm in troubule  
Know if you're there I've falling  
And I can't get up  
So hurry up  
And just say no

Please get me back to me girl  
Who's waiting at home  
Get me back tonight without doing wrong  
And I promise (promise) promise (promise)  
Promise (promise) promise (promise)  
I'll never ever do it again  
Come on out  
I know you're in there  
I need you now  
Cause I'm about to lose it all  
And you're the only one I can call on  
Know if you hear me I need you

Know if you are listening I'm in trouble  
Know if you're there I've falling  
And I can't get up  
So hurry up  
And just say no (no, no, no)

No, no, no  
No say no
