Issues, issues

I'll be damned if I don't, I'll be damned if I do
I'm beginning to think that I'm too much for you
See all habits, now heart, did I mess up again
Now I'm facing the truth, and I'm losing my best friend

I've been running like a marathon
Tryna get away from my issues
If I drank a shot for every time I said I was fine
Then I'd be screwed
I'm not good at sorry, pride will make you lonely
And I just wanna be with you
So I'm hanging up my running shoes, working on my issues
'Cause I'm not about to give up

Woh-woah-oh, issues, issues
Woh-woah-oh, issues, issues
Woh-woah-oh, issues, issues
Woh-woah-oh, issues, issues

I'm not looking for pity, this ain't no excuse
Because no one is flawless in this human zoo
I've been strong, I've been wrong, I've been stupid in love
So please don't shoot me down, now I'm holding my hands up

I've been running like a marathon
Tryna get away from my issues
If I drank a shot for every time I said I was fine
Then I'd be screwed
I'm not good at sorry, pride will make you lonely
And I just wanna be with you
So I'm hanging up my running shoes, working on my issues
'Cause I'm not about to give up

Woh-woah-oh, issues, issues
Woh-woah-oh, issues, issues
Woh-woah-oh, issues, issues
Woh-woah-oh, issues, issues

What the hell is wrong with me? I'm my own worst enemy
What the hell is wrong with me?
What the hell is wrong with me? I need a little honesty
What the hell is wrong with me?

I've been running like a marathon
Tryna get away from my issues
If I drank a shot for every time I said I was fine
Then I'd be screwed
I'm not good at sorry, pride will make you lonely
And I just wanna be with you
So I'm hanging up my running shoes, working on my issues
'Cause I'm not about to give up

Woh-woah-oh, issues, issues
Woh-woah-oh, issues, issues
Woh-woah-oh (issues, issues), issues, issues

Woh-woah-oh, issues, issues
