

## Bitterness

Nadhif Basalamah

I never thought I'd be without you  
You took my happiness away from me  
The day I told you hold my hand and don't let go  
Was the day, you left me empty and alone

You left me empty and alone  
You left me empty and alone

I thank you  
For being the sunshine that wakes me up  
The one I wake up thinking about

I thank you  
For being the sunshine that wakes me up  
The one I wake up thinking about

Look at me now, happy but alone  
All of my time wasted on you  
Not a single day of ours, were you pretending  
You keep telling myself to stay away but you keep carrying me i  
n

(So I'd like to say that)  
I thank you  
For being the sunshine that wakes me up  
(Sunshine that wakes me up)  
The one I wake up thinking about  
(Thinking about you)

I thank you  
(You, you, you, you)  
For being the sunshine that wakes me up  
The one I wake up thinking about  
(Thinking about)
