eventually

Nadhif Basalamah

I've been trying to get the honesty to you
I've been trying to let my ego all away
If not, what's so bad about it?
If not, what's so bad about it?

Can't stop thinking about the things that I did
How do I forgive myself from all this?
Take me back to where we start, start loving, ohh, no

'Cause I'm supposed to love you just the way you are
But then my heart starts to get so mad
Oh I am falling to pieces
Can't stop thinking about the things I did

Oh I'm supposed to love you just the way you are
But then my heart starts to get so mad
Oh I am falling to pieces
Can't stop thinking about the things I did

My ego's busy telling me
The things that I don't wanna hear
But baby, won't you come around?
'Cause I believe things were clear
Between us, baby, can't you see?
No, no

Eventually
Drowning, trying not to sink, don't let me
'Cause since you've been gone I've been lonely
And now that you're gone my loving goes on

'Cause I'm supposed to love you just the way you are
But then my heart starts to get so mad
Oh I am falling to pieces
Can't stop thinking about the things I did
Oh I'm supposed to love you just the way you are
But then my heart starts to get so mad

Oh I am falling to pieces
Can't stop thinking about the things I did
Oh I'm supposed to love you just the way you are
But then my heart starts to get so mad

Oh I am falling to pieces
Can't stop thinking about the things I did
No
