

# People

Nadia Ali

Why, oh why  
Do people  
Lie?  
Where, oh where  
Do people  
Come from?

When they take you down  
And they break you down  
Into tiny pieces  
As they watch you drown

But I won't stop  
But I won't stop  
But I won't stop  
I won't stop

Truth  
Be known  
I have died  
And reborn

Their

Control  
Won't trample  
My soul

Cause I've made of stone  
And I'm not alone  
I would do it all again  
Than to never know

Cause I won't stop  
Cause I won't stop  
No I won't stop  
I won't stop

Cause I won't stop  
Cause I won't stop  
No I won't stop  
I won't stop

Cause I won't stop  
Cause I won't stop  
No I won't stop  
I won't stop
