

# Beauty & A Beast

Nadia Oh

She's a beauty & a beast yeah  
She's a beast yeah  
In the sheets yeah  
She's a beast yeah  
She's a beauty & a beast  
She's a beast yeah  
She needs a leash yeah  
She's a beast  
She's a beauty & a beast

From the club to the bed  
This nights a movie  
She's gotta camera  
She wants to zoom in

She's phenomal, like an animal  
Bouncing of the bed like, bouncing of the wall like

She's not just trying to be arogant  
Her shit is out of control  
Imagine finding her... in a spot like this  
Imagine taking her home

She's a beauty & a beast yeah  
She's a beast yeah  
In the sheets yeah  
She's a beast yeah  
She's a beauty & a beast  
She's a beast yeah  
She needs a leash yeah  
She's a beast  
She's a beauty & a beast

Rose up to the club  
She walks straight in  
Straight past the line  
Like every time

She's phenomal, like an animal  
Bouncing of the bed like, bouncing of the wall like

She's not just trying to be arogant  
Her shit is out of control  
Imagine finding her... in a spot like this  
Imagine taking her home

She's a beauty & a beast yeah  
She's a beast yeah  
In the sheets yeah  
She's a beast yeah  
She's a beauty & a beast  
She's a beast yeah  
She needs a leash yeah  
She's a beast  
She's a beauty & a beast
