I've heard it all before  
Heard it all before

I've heard it all before  
And I don't care much for rumours  
For gossip  
No, I don't listen  
You say what you need to say  
But I've heard it all before

Seems they hit when I miss  
Like they stick when I twist  
Who'd you set the odds against?  
I'm alone on an island  
Away from the violence  
Cut my loss and get away  
(Cut my loss and get away)  
(Cut my loss and get away)

Whatever I see, whatever I do  
Whenever I breathe, whatever I say  
Wherever I've been isn't yours  
And ain't for sale  
(It isn't yours and ain't for sale)

I've heard it all before  
And I don't care much for rumours  
For gossip  
No, I don't listen  
You say what you need to say  
But I've heard it all before

And I know what you're like  
Saw the bait, took the bite  
Now you're seeing double babe  
'Cause their words are like poison  
My soul's disappointed  
Cut your loss and get away  
(Cut your loss and get away)  
(Cut your loss and get away)

Whatever I see, whatever I do  
Whenever I breathe, whatever I say  
Wherever I've been isn't yours  
And ain't for sale  
(It isn't yours and ain't for sale)

I've heard it all before  
And I don't care much for rumours  
For gossip  
No, I don't listen  
You say what you need to say  
But I've heard it all before

Heard it all before, before, oh woah  
Rise before the fall, the fall, oh woah  
Heard it all before, before, oh woah

Writing's on the wall, the wall

I don't care much for rumours  
I don't listen, no  
To gossip, let you profit  
In lies, lies

Heard it all before, before, oh woah  
Rise before the fall, the fall, oh woah  
Heard it all before, before, oh woah  
Writing's on the wall, the wall

I've heard it all before  
And I don't care much for rumours  
For gossip  
No, I don't listen  
You say what you need to say  
But I've heard it all before
