

Runnin'

Nadine Coyle

Lost, I couldn't find my way
'Cause every road I took would always end the same
So I'd walk alone so carefully
Too afraid to let my legs pick up the speed
Each time you got closer
I pushed you far away
Ah, but we get the chance to start over
Every single day, yeah

No one has to think before they breathe
So I'm not gonna stop before I reach
'Cause if I fall down, I won't feel the ground
That's not new to me
Get back up on my feet and I'm
Runnin', I'm runnin', I'm runnin'
Like I'm supposed to be
Runnin', I'm runnin', I'm runnin'
And I just keep
Runnin', I'm runnin', I'm runnin'
Right back to you and me
Runnin', I'm runnin', I'm runnin'

Love, I'm ready for the chase
But now I don't know if you can keep up with my pace
Come a little closer
I won't push you away
And now we got the chance to start over
So I'll do whatever it takes, yeah

No one has to think before they breathe
So I'm not gonna stop before I reach
'Cause if I fall down, I won't feel the ground
That's not new to me
Get back up on my feet and I'm
Runnin', I'm runnin', I'm runnin'
Like I'm supposed to be
Runnin', I'm runnin', I'm runnin'
And I just keep
Runnin', I'm runnin', I'm runnin'
Right back to you and me
Runnin', I'm runnin', I'm runnin'

Baby, I, I was wrong
I walked away from you for my protection
Oh, now, all the fear is gone
And I'm heading in the right direction

Runnin', I'm runnin', I'm runnin'
Runnin', yeah
Runnin', I'm runnin', I'm runnin'
From this, mmm, huh, yeah
Runnin', I'm runnin', I'm runnin'
Right back to you and me
Runnin', I'm runnin', I'm runnin'
Yeah

No one has to think before they breathe

So I'm not gonna stop before I reach
'Cause if I fall down, I don't feel the ground
That's not new to me
Get back up on my feet and I'm
Runnin', I'm runnin', I'm runnin'
Like I'm supposed to be
Runnin', I'm runnin', I'm runnin'
And I just keep
Runnin', I'm runnin', I'm runnin'
Right back to you and me, yeah
Runnin', I'm runnin', I'm runnin'
Yeah, runnin', runnin'
[to fade]
