

## This Time

Nadine Lustre

Oh I'm sorry, girl  
For causing you much pain  
Didn't mean to make you cry  
Make your efforts all in vain  
And I apologize  
For all the things I've done  
You were loving me so much  
But all I did was let you down.

Oh, I really don't  
Know just what to say  
All I know is that  
I want you to stay... Yeah...

This time I'm not gonna let you slip away  
This time I'm not gonna let you another day go by  
Without holding you so tight  
Without treating you so right  
This time I'm not gonna let go of your love  
This time I promise you that we'll rise above it all  
And I will never let you fall  
I'm gonna give you my all  
This time

Oh, I never thought  
That I was hurting you  
Now I know that I was wrong  
Now I know just what to do

Gonna try to be  
The best that I could be  
All I need is one more chance  
To make it up to you, you'll see

And there's one more thing  
That you oughta know  
All I know is that  
I don't want you to go...

Gonna give you my all...  
This time
