

Till I Met You

Nadine Lustre

I never dream
'Cause I always thought that dreaming was for kids
Just a childish thing
And I could swear
Love is just a game that children play
And no more than a game

Till I met you
I never knew what love was
Till I met you
This feeling seems to grow more everyday
I love you more each day

I believe you
I believe in every word that you say
I love you all the way
Now I could swear
Love is not a game that children play
So tell me that you'll stay

Till I met you
I never knew what love was
Till I met you
This feeling seems to grow more everyday
I love you more each day

You and I should be together
Can't you see
Can't you see

Till I met you
I never knew what love was
Till I met you
This feeling seems to grow more everyday
I love you more each day

Till I met you
Oh, I never knew what love was
Till I met you
This feeling seems to grow more everyday
I love you more each day
