

# ANYTING 4 U MASTER

Naethan Apollo

Hello! Hello?  
Can you hear me?  
Okay!

I'm the most devoted  
My heart ain't weak  
It's more than potent  
I need your love, just a couple doses  
It's my doctor's diagnosis  
If I land you  
Imma get to bragging  
Get to breathing, get to boasting  
Shot my shot but you've unloaded  
One full clip and you're reloading

Huh, wow, shoot me down!  
Ra ta ta  
Imma run around  
So, huh, bam, here I am  
Not gon' find another chance like me  
See, I can be whatever you want me to be  
For you, I'd do anything for you  
I'd do anything for you

What can they do for you that I can't?  
You can't see to the truth but I can  
I can't be there for you but they can  
Sike, they can't  
But I won't  
I can feel it in my bones  
They've snuck inside your home  
They invite you to dance  
Then you get down on your own

But nobody can move like I can and  
It helps that I am eye candy  
Nobody can be the bigger man  
'Least not as far as I can see  
Why don't you be whatever you want to  
Not what others want you to be  
That's true, even if what you want to do  
Is not to be with me

I'd do anything for you  
I'd do anything for you

Huh, wow, shoot me down!  
Ra ta ta  
Imma run around  
So, huh, bam, here I am  
Not gon' find another chance like me  
See, I can be whatever you want me to be  
For you, I'd do anything for you  
I'd do anything for-

Huh, wow, shoot me down!  
Ra ta ta

Imma run around  
So, huh, bam, here I am  
Not gon' find another chance like me  
See, I can be whatever you want me to be  
For you, I'd do anything for you  
I'd do anything for you

Love me, or hate me  
You can choose your destiny  
Just know that all my lovers  
They get the best of me  
I got people throwing stones  
Hoping it's the death of me  
Like wow, even my critics are obsessed with me  
That's my secret recipe  
Put your hand in mine  
Make it my main accessory  
See I'm not so bad  
The best is yet to pass  
Our love can drive them mad  
Drive them mad, drive them mad, mad, mad  
Hit it!

Huh, wow, shoot me down!  
Ra ta ta  
Imma run around  
So, huh, bam, here I am  
Not gon' find another chance like me  
See, I can be whatever you want me to be  
For you, I'd do anything for you  
I'd do anything for you
