

# Fallen Once Again

Naethan Apollo

Hello?

Hey what's up?

Oh, not much I'm just, uh, I'm just making some music. What's up?

I was just calling to ask if you wanted to go see a movie Saturday

See a movie? Like together, like a date?

Yeah, if you want to call it that

(Oh no)

Um, yeah, sure

You can't make me fall in love

No not again I've had enough

I don't think you want love from me

I've given love and it really sucked

Oh, no

Don't you know?

If you do that shit one more time, I'll fall in love till I fucking die

My love for you has left me blind

Can't see your flaws or tell the time

Oh, no

Oh, no

I've fallen once again

Oh, no

I've fallen once again

I've fallen once again

You can't take me anywhere

If you can't tell I'm really scared

Of losing you, you've come to be

A thing I need, you're part of me

Oh, no

Don't you know?

Okay fine, I promise I

Will try to keep this love alive

I'll try my best, I've failed before

But I feel like this is something more

Oh, no

Oh, no

I've fallen once again

Oh, no

I've fallen once again

I've fallen once again (Oh, no)

Once again

I've fallen once again

I've fallen once again (Oh, no)

Once again

I've fallen once again

Oh, no
