

# Keep Pushing Through

Naethan Apollo

Hello!

I've had my back to the crowd  
Had my face in the dirt  
I got all pushed around  
Felt like I'm making it worse  
But I'm trying my best  
I know that I'm not the first  
The world is what you make it and I'm making it work  
I'm taking my time and I been waiting my turn  
I work for what's mine but never get what I've earned  
And I'm not gonna lie on this  
Sometimes I want to cry then quit

But if there's one thing that I've learned  
Is I'ma keep pushing through

'Cause that's what we do (Hey)  
Do! (Hey) Do! (Hey)  
Yeah, that's what we, that's what we do (Hey)  
Do! (Hey) Do! (Hey)  
Make it work with all the work that we do (Hey)  
Do! (Hey) Do! (Hey)  
Yeah, that's what we, that's what we do (Hey)  
Do! (Hey) Do! (Hey)  
I'ma keep pushing through

I work all night (Night)  
And I work all day (Day)  
I work when it's early  
And I work when it's late  
I'm working at dusk (Dusk)  
And I'm working at dawn (Dawn)  
I work when I'm woke  
And I work when I yawn  
I'm saving up dough  
Tryna make a dope song  
I'm screaming at the world that it won't be long  
They tell me that I don't belong  
Yeah, they all think I'm wrong

But if there's one thing that I've learned  
Is I'ma keep pushing through

'Cause that's what we do (Hey)  
Do! (Hey) Do! (Hey)  
Yeah, that's what we, that's what we do (Hey)  
Do! (Hey) Do! (Hey)  
Make it work with all the work that we do (Hey)  
Do! (Hey) Do! (Hey)  
Yeah, that's what we, that's what we do (Hey)  
Do! (Hey) Do! (Hey)  
I'ma keep pushing through
