

# Lemon Lime Lips

Naethan Apollo

(Mwah)  
Hello!

Lemon lime lips  
They've been on my mind  
A simple little kiss, I'll be taking flight  
See, when I'm with you, I'm gon' be alright  
When I'm with you, I'm gon' be alright

Said I'm gon' be okay  
Let's hang out, maybe all day (Day)  
Lips like lemonade  
Hit my line, I'm on the way (Way)  
See you drive me insane (Huh?)  
But like, in a good way though  
Got me coming off strong  
When I should lay low  
Well, if you say so  
But okay, look  
We're moving kinda fast (I don't care, I don't care)  
We got this in the bag (It's right in there, right in there)  
I won't let this turn bad, no (Don't you dare, don't you dare)  
Life without you is a drag

Hey, well what do you say?  
You make me fly away  
You're on my mind like every day  
But you can't blame me  
You got those

Lemon lime lips  
They've been on my mind  
A simple little kiss, I'll be taking flight  
See, when I'm with you, I'm gon' be alright  
When I'm with you, I'm gon' be alright  
Got lemon lime lips  
They've been on my mind  
A simple little kiss, I'll be taking flight  
See, when I'm with you, I'm gon' be alright  
When I'm with you, I'm gon' be alright

Okay listen, you are the  
Cutest thing I've ever seen  
I wish you'd never have to leave  
I really want you by my side  
You got me sending you memes  
And writing letters at night  
I'm crossing all of my T's  
And dotting all of my I's  
With little hearts (Oh no, that is so gross)  
You got me tripping like I'm (High off a low dose)  
This ain't a dollar store crush (This is homegrown)  
And I'm not sure how all of this is supposed to (Go so)

Hey, what do you say?  
You make me fly away  
You're on my mind, like, every day

But it's really not my fault  
You've got those

They've been on my mind  
A simple little kiss, I'll be taking flight  
See, when I'm with you, I'm gon' be alright
