

Let's Hangout Again

Naethan Apollo

Thanks for coming around
I'd be down to hangout again
But only if you want to
If you don't, well that's fine
I can still be your ride back home
Just let me know-ow

All good things gotta come to an end
I guess, but
I think we should do this again
(Again!)
Unless ya don't think so
That's cool too
I'll go this one way ticket back to you
Or maybe
You can hit me with a call or a text
(Ring ring)
Send me a funny joke or a jest
(Ha ha)
I got a bird you can take to your place
(Like a pigeon)
Write a letter, tie the note to its neck
(How cute)
Whatever way you wanna hit my line
(My line)
I'll be waiting, all in due time
(Due time)
And if that message never does come by
(Oh no)
I'll be down but I'll be alright

Yeah, I'll be alright, I guess
If I have to bid you adieu
But my mind will never let me rest
If I don't step up and tell you
I think I like-like you
I think I like-like you

So thanks for coming around
I'd be down to hangout again
But only if you want to
If you don't, well, that's fine
I can still be your ride back home
Just let me know-ow

You are a thorn in my side
You're taking me for a ride
You give me some piece of mind
You want a heart? Well, take mine
I think I like-like you
I think I like-like you
You are a one of a kind
You make me wonder at night
You make me wanna survive
You make me feel so alive
I think I like-like you
I think I like-like you
