

# Loser

Naethan Apollo

Hello!

I tiptoe when I conversate  
Cause I don't want hoes to congregate  
Me and you are like miles away  
But I guess I got time today  
Hey, take a look at my face  
No sleep but I'm wide awake  
And when I make a splash, I'll take a dash  
Just for a chance to ride the wave, man  
You say, you say you get it  
Get what? Get real!  
You don't know how it all feels  
To be the thought when they think of ideal  
You got no plan for action  
No drive, no love or passion  
What did you think would happen?

Baby, you're a loser, a loser  
You'll get no company, no company  
'Cause you're a loser, a loser  
You'll get no company, no company  
Not from me

So pick up the tempo, pick up the pace  
If that's too hard, get the fuck out the way  
You'll just slow me down  
And stop acting like you know me now  
You're a chump (You're a chump)  
You're a loser (Loser)  
You're an all star beggar, I'm a chooser (Chooser)  
You'll catch me at the top when the timer stopped  
And any other story is a rumour (It's a, it's a rumour)  
'Cause I'm like that  
And it's not my fault if you don't like that  
If I show up to fight, Ima show up to win  
If you don't like that, don't fight back  
See? We ain't even in the same league  
If we lose, nobody's gon' blame me  
I'll win, no but's or maybe's, 'cause

Baby, you're a loser, a loser  
You'll get no company, no company  
'Cause you're a loser, a loser  
You'll get no company, no company

Baby, you're a loser (a fucking loser), a loser  
You'll get no company (no way), no company (not from me)  
'Cause you're a loser (a loser), a loser  
You'll get no company (no company), no company (no company)  
Not from me
