

# Pretty Boy

Naethan Apollo

Hello  
I just wanna be your favorite  
Pretty boy  
I get a rush when I make you blush  
So I got no choice  
I just wanna be your favorite  
Handsome man  
Big and strong, don't care how long  
Don't got no plan

I just wanna be your fave  
Pretty boy  
A studly guy, just let me try  
To bring you joy

I just wanna be your favorite  
Be your fave  
And to all the guys who told you lies  
Homie in your face  
Now let me take it back to the basics  
Time for you to face it  
You're outta this world  
Like a alien invasion  
It'd be pretty wicked  
If we kick it on occasion  
You in my vision  
24/7's a vacation  
You know it's true

That's what you are to me  
But what am I to you?  
I've never been so free  
You showed me what to do  
So am I top five or maybe top two?

Man, I just wanna be your fave  
Pretty boy  
A studly guy, just let me try  
To bring you joy  
I just wanna be your favorite  
Handsome man  
Big and strong, don't care how long  
Don't got no plan

I just wanna be your favorite
